

ThermoFisher SCIENTIFIC

Thermo Fisher Scientific is the world leader in serving science supporting customers through two premier brands - Thermo Scientific and Fisher Scientific - along with a family of specialty product brands.

Thermo SCIENTIFIC

The Thermo Scientific brand encompasses a complete range of high-end analytical instruments as well as laboratory equipment, software, services, consumables and reagents to enable integrated laboratory workflow solutions.

Fisher Scientific

Fisher Scientific is our premier customer channel and services brand providing a complete portfolio of laboratory equipment, chemicals, supplies and services used in health-care, scientific research, safety and education through the most convenient purchasing options from a single purchase to a supply chain solution.
